How we raise our funds?

- With friends and family on a monthly basis (minimum 10 Euros)
- With partners like Kindermissionswerk, Die Sternsinger e.V., Oneday, Schmitz Stiftungen
- With Raiba today, a bank that adds 50% to every Euro donated. Another person will also add 50%, so every Euro is doubled.

Results of our Work

- About **16.000 participants** (health workers, social workers, teachers, police, priests, market women, chiefs, directors etc.) participated in our **ACT- and Prosocial-workshops**
- **159.000 people** went through our **Prosocial** workshops for Ebola-, Covid- and violence prevention
- **1400 girls** found support in our **girls shelter** after sexual abuse.
- **1000** of the **perpetrators** are in **prison** or **at court** (before CAA this number was close to zero)
- **8 women's groups with 456 women** generate income for their families
- **167 couples** went through our **DARE to Connect** project and have close to zero violence in their relationship since then, they also create their own income now
